You're One Step Closer To Your Ultimate Goals.
You've Had Many Obstacles In Your Way But You've Endured

Them All; Some Of You Better Than Others, But The
End Product Was Still The Same.

As You Branch Out Into Your
Different Occupations You'll

Recall The
Fundamental
Things
You've
Learned At
Germantown,
And You'll
See Just How

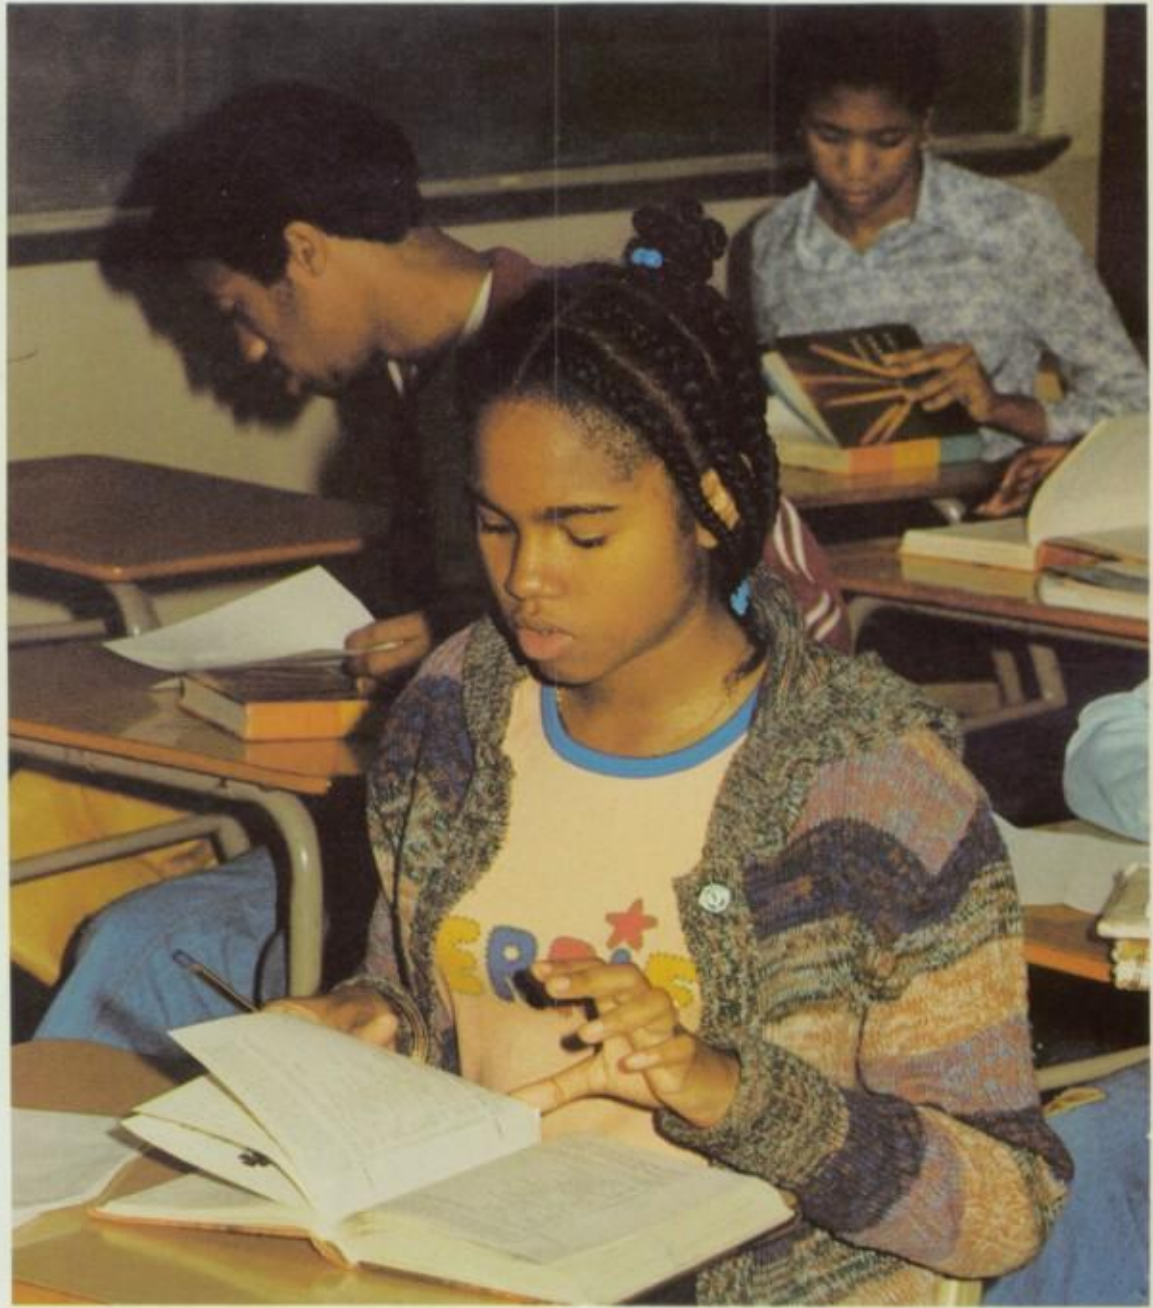

Important They Are In Everyday Life. Your Experiences
At Germantown Will Be Well Remembered, This Was The
Time In Your Life When You Did Most Of Your Developing,

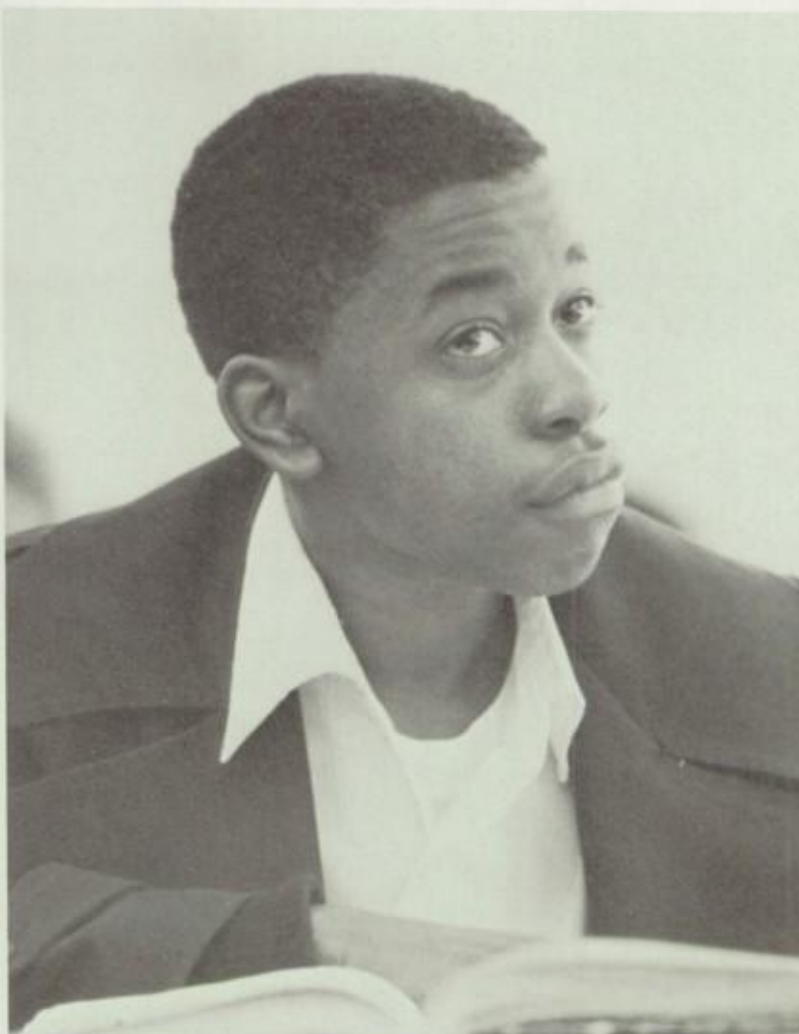

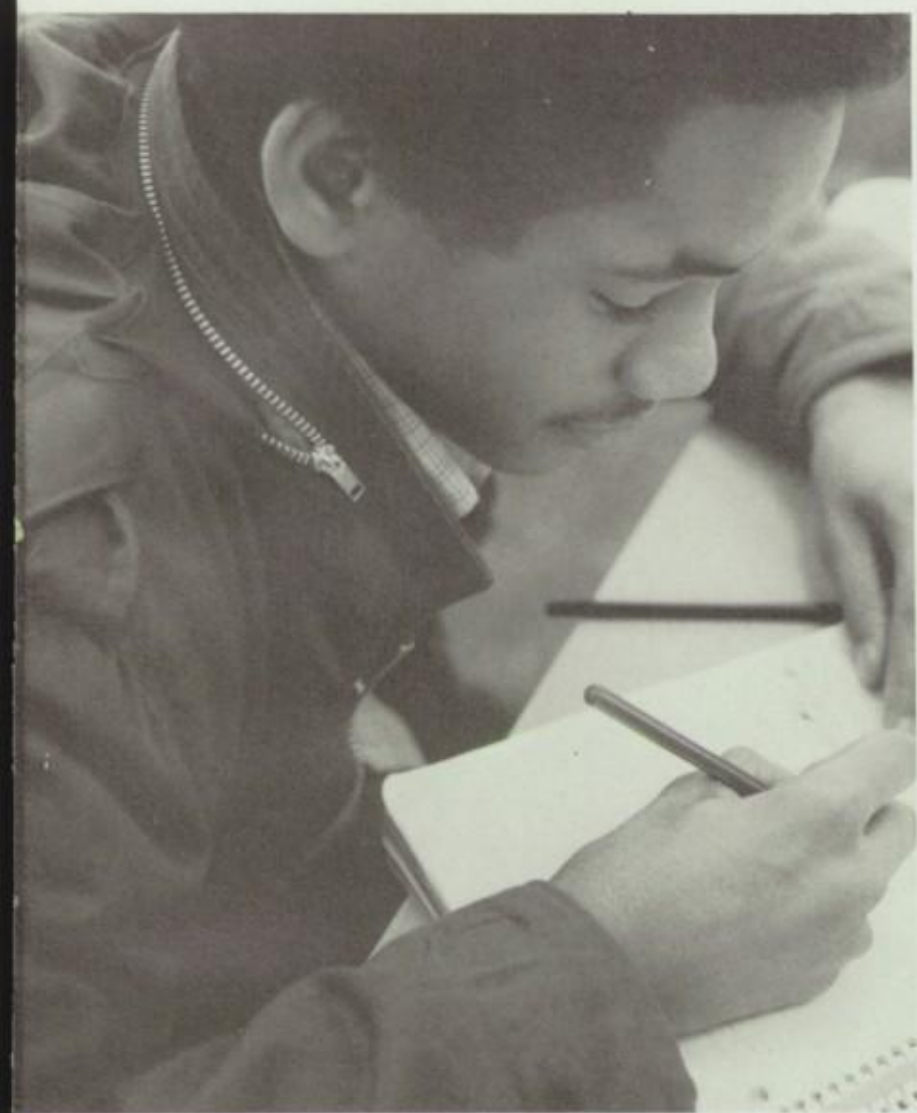

And Mental Maturing. When You
Look Back On Your Alma Mater
Tell Yourself, "I Helped To

Make It What It Is, My Predecessors Helped To Make It What It Was, And My Successors

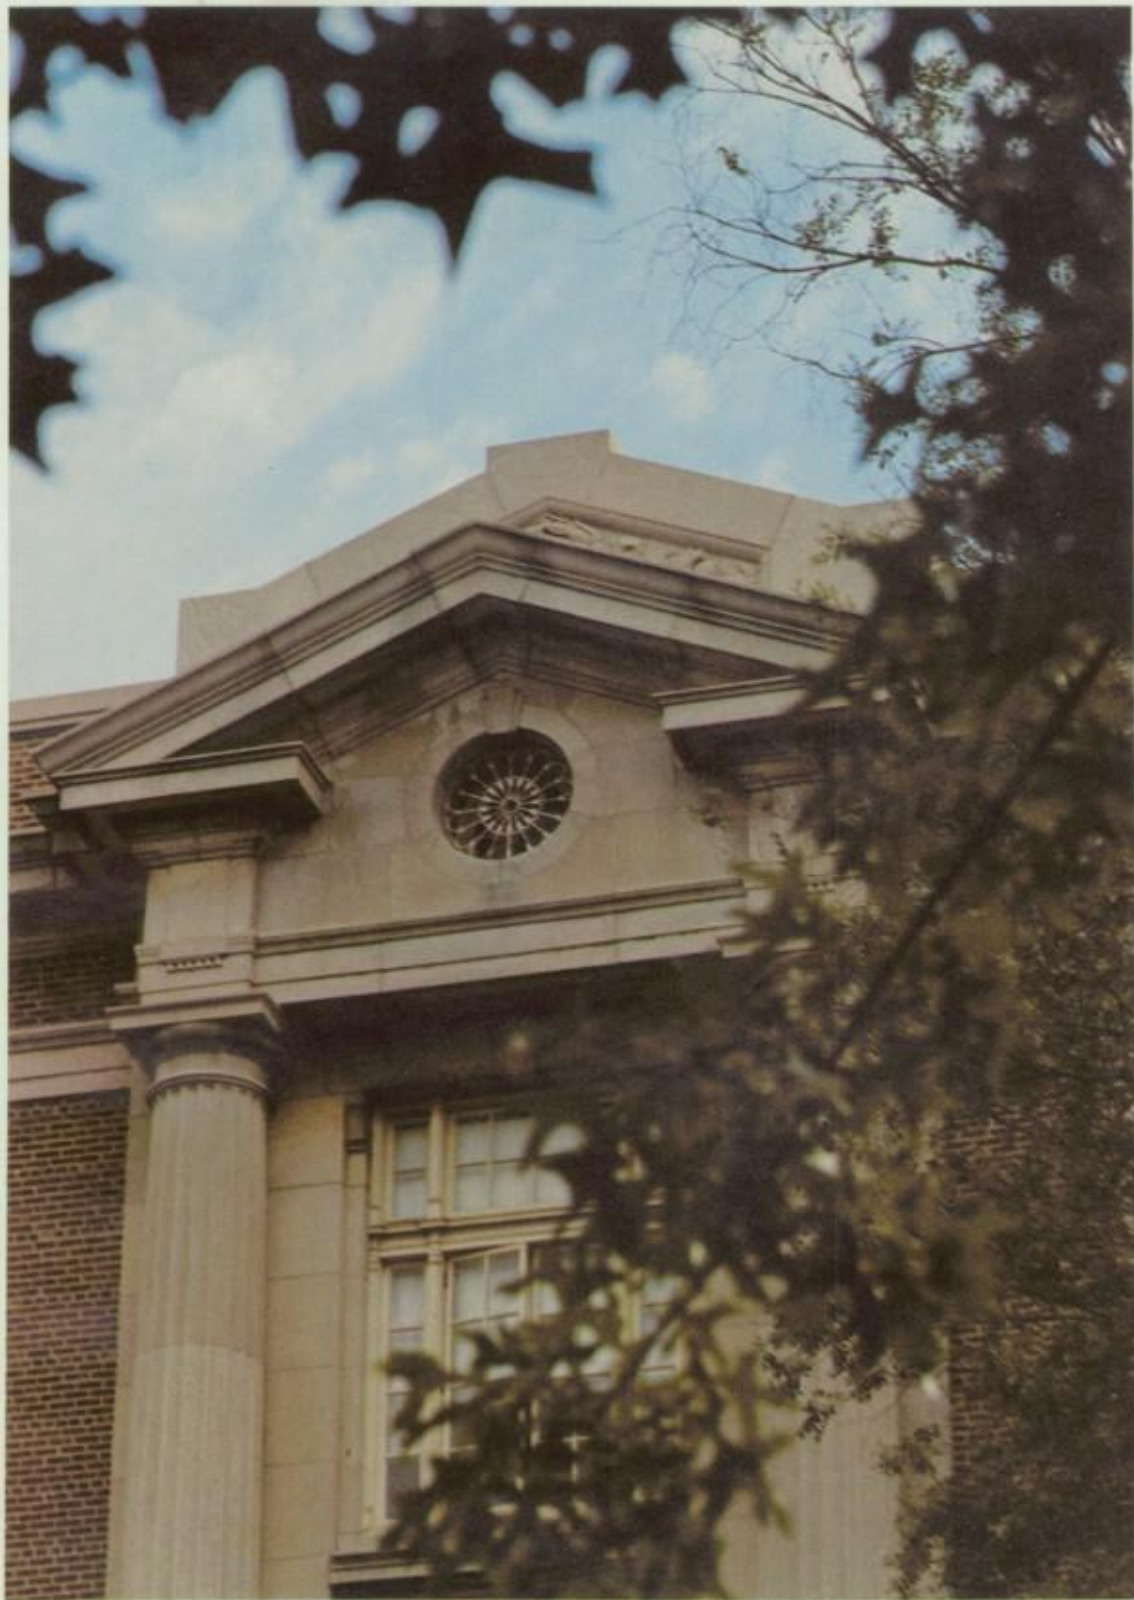

Will Help To Make It What It Will Be.

Walter J. Scriven Principal

To The Class of June 1979:

Each one of you should always remember that you are special. You are the first class to reach graduation which started in our school in the ninth grade. More than any other class which has preceded you, you are thus the special product of Germantown High School. It is for this reason that I take a special pride in the class of '79.

With this special distinction, however, goes a special obligation, as your future success will reflect so much on the educational training you have received at Germantown. Let us hope that the tradition of success which you will set, shall serve as a model for future graduates. Let us further hope that this model of success shall link the graduating classes yet to come in a never ending chain of achievements. You set a goal when you came to Germantown, and your graduation is the fulfillment of your success. Now, go forth into the world and set new goals.

Finally, I wish each of you a happy and meaningful life.

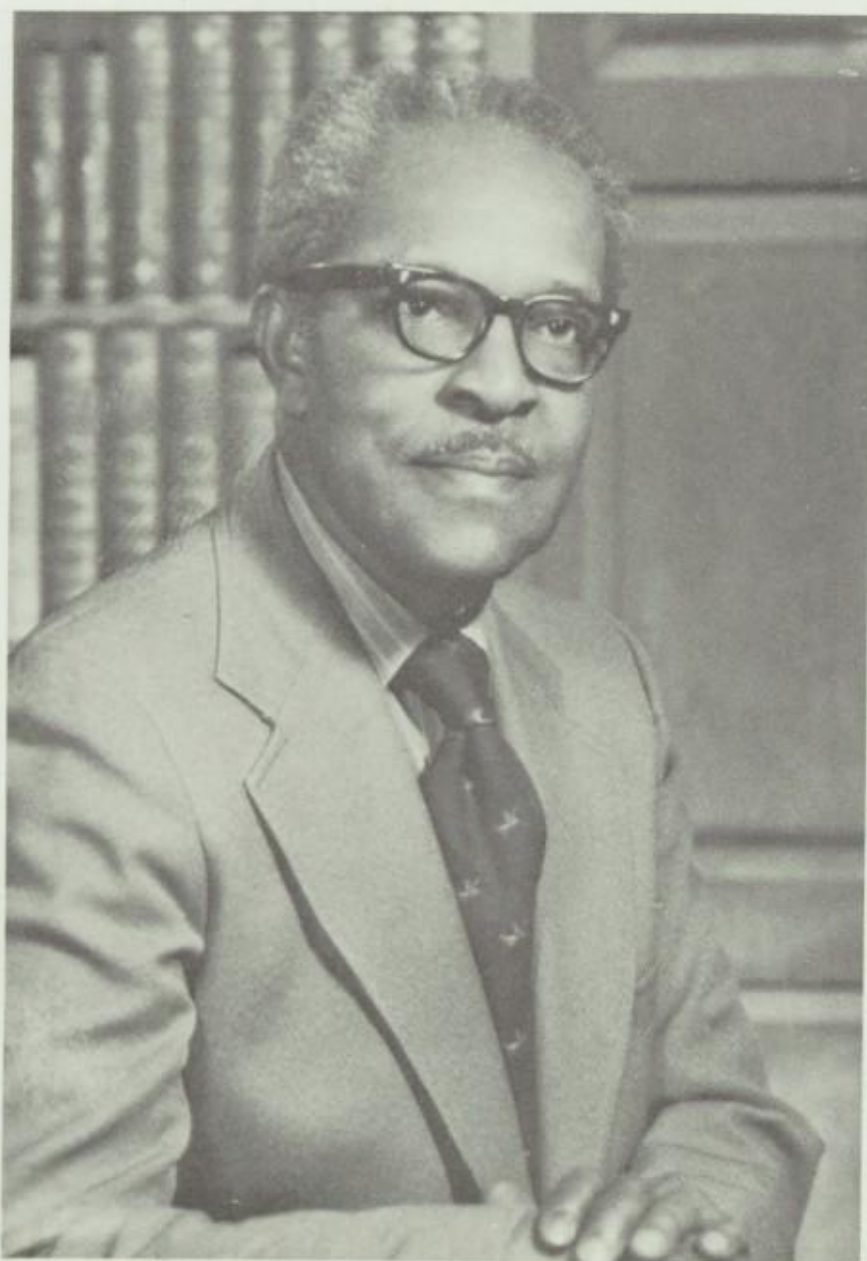

W.J. Scriven

Principal Returns After Year Of Doctrinal Studies

Vice Principal

My sincere congratulations on reaching the first step on your entrance into the "world of tomorrow." You are now a high school graduate. Your second step is largely dependent upon you and what you plan to do with yourself. Before you start making this second step ask yourself the following questions:

Who am I & what are my goals?

What am I willing to sacrifice in order to reach my goals?

Am I determined to overcome all obstacles to reach my goals?

Am I willing to help others, my relatives, my friends, my community to share my success?

If you can answer these questions with a "yes, I can," then your search for a purpose in life will help guarantee your success. Remember that the world owes you nothing, and more than likely will give you nothing. So work hard to reach your goals. You can do it if you try.

Good Luck.

John Hamilton
Vice President

Vice Principal

To the Graduating Class of 1979, Congratulations!

You have accomplished one of the milestones of your life. I hope you have enjoyed your years spent at Germantown. You will have memories and friends to cherish all of your life.

There will be other goals that you will set for yourself. We hope you have learned to do your best and to expect no less than the best you are capable of doing. Believe in yourself and make everyday an important one in your life.

Sincerely,
Doris Lane
Vice Principal

Vice-Principal

To the Class of '79

As you plan to make your commencement, it is natural to look back on the years spent in preparation. During the last twelve years you have attempted to learn all the skills you will need for the future. For that knowledge you have paid the price of many days of your life. In time you will realize that it was a wise investment. You may also have wasted hours of your life on much that you may regret later. Those hours are gone forever.

The decision to spend your time in doing one thing over another is not as easy as it might seem. In the future think long and hard about the way in which you will spend a very precious commodity of your life. As each day ends, ask yourself if the price was too great. Then plan the next so that it is worth the expense.

As I reflect on my five years at Germantown, there are very few days that I feel were not worth the price. The reason for this is that "You have touched me, and I have grown". I hope the reverse is true.

On our parting I wish you much success and happiness. Good luck and God bless.

This country is not and never has been a monlingual melting pot. We have never been "E Pluribus Unim" but have always been "Unum in Pluribus." Let's replace the melting pot with the salad bowl and use a Thousand Island dressing on it! The study of foreign languages makes us appreciate and aware of other cultures, values, and peoples, yet is one of the most demanding of the "mental calsthenic" subjects that we study.

On the one hand, then Foreign Languages militate against Xenophobic paranoia and provide *par excellence* the mental discipline essential for a good education! On the other hand, when all is said and done *Polyglots Have More Fun.*

Committee Of 10 Helps Govern School

To the Graduating Class of 1979

Graduating from Germantown High School is only the beginning. Upon departing, we are left with a diverse amount of memories. As we look retrospectively on the past, we find that we have come a long way and have an even longer way to go. We must continue to be vigorous individuals in order to achieve whatever we may pursue.

Life at Germantown has helped prepare us for our new life. The devotion of our teachers and principals will never be forgotten, and I sincerely thank all of them.

Whether you occupy a seat in a corporation or ingress into an institution of higher learning after graduating you are only beginning. I only hope that the beginning of your life, as well as the outcome is filled with success and happiness. Today is the first day of the rest of your life!

Class of '79 Congratulations!

Eric Sessoms
President

Congratulations to the Class of '79

We are the first Freshman class to graduate from Germantown High and that's an achievement within itself. I hope that these years were pleasurable to you and my services in office were of some benefit.

My wishes are that each and everyone of you will go to some type of higher learning and have success on your minds at all times. I will miss you all very dearly. Remember '79 will always be right on time. Good Luck!

Ninth Grade Through Twelfth Grade Senators

The senators of Germantown High School are students who were elected by their peers. These students are entrusted with the job of bringing their class mates ideas and opinions from the school administration.

The senators also provide the students in their class with various information which they need to know about school activities.

Senior Advisors Help The New Ninth Graders

The senior advisors are selected students who go into the ninth grade advisories and assist the teacher with the new students who are not familiar with the school.

They do things like explain the school rules, procedures, and things that are of major importance.

These aides assist G-town's counselors

Mrs. Scott gives a smile at the nurses aides

Stage Crew Puts It All Together

The Stage Crew is responsible for the operation and repair of all the school's amplification equipment. They are to assist faculty and students who are involved in special programs. The Stage Crew should know every angle of the stage so that they can set the stage for the comfort of the performer and the audience. The Crew is also responsible for the proper lighting when the occasion warrants. They should also know the proper piece of equipment and where it is stored. The Stage Crew is one of the most important activities in our school.

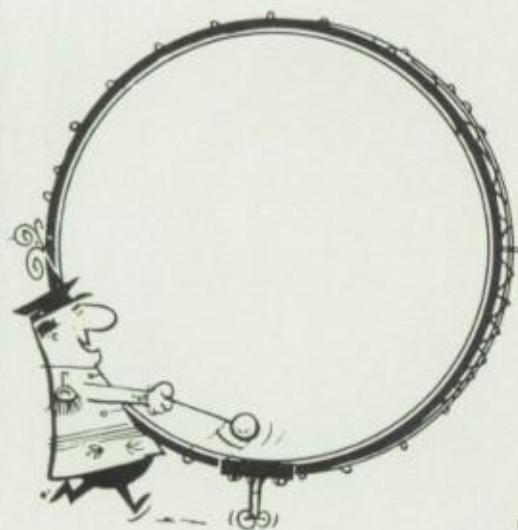

Clipper Copy Staff

Clipper Business Staff

Germantown High School Marching Band

The Germantown High School Marching Band is under the direction of Mr. Lawrence Alter who is a dedicated band leader.

The band plays for selected football games, pep rallies, and assembly programs. The band also preforms at the Graduation Cermonies, the Honor Society Induction, the Christmas and Spring Concerts and various community and city affairs. The repertoire of our band includes movie themes, classical, and popular music.

The Miss Germantown Pageant is an annual ritual each November. This event is anxiously awaited and enthusiastically received by all. A new queen and her court are picked every year based on talent, poise, modeling and intellectual abilities.

Beginning this year a plaque will be placed in the main corridor with the names of the Miss Germantown winners inscribed for posterity. The names will be retroactive to 1976.

This years Queen is Miss Robyn Williams. Her Court consists of first runner up, Angela Curtis; second runner up, Dawn Morgan; third runner up, Jacqueline McCarthy, and the fourth runner up, Vivian Philmon.

Miss Germantown

1978-1979

Gospel Choir Helps Spread The Word

The Germantown High School Gospel Choir is student organized and directed. Our celestial ensemble sings for the annual Christmas and Spring Concerts. The 30 to 35 voices of the choir, directed and accompanied on piano by dynamic Robyn Brooker, also performs outside of Germantown, free of charge, for church and community affairs and other schools.

The Gospel Choir members also participate in religious activities outside of the school and feel that their singing helps spread the Word.

Germantown Concert Choir In Concert

The Germantown High School Choir, under the sparkling direction of Mrs. Ellie Shaffer and with Mr. Roland as its able pianist, sings many types of songs, ranging from classical and ballad rock and contemporary; and from novelty and folk to spirituals.

Garbed in the traditional green and white of our school, the choir performs at the annual Christmas and Spring Concerts and for selected assembly programs. Our 87-voice choir also performs outside Germantown for civic organizations and other schools.

Traditionally the choir sings at City Hall courtyard and Newmarket during the Holiday Season, sponsored by the City of Philadelphia.

Seniors include David O'Hannon, Samuel Tucker, Charyl Jones, Judy Mack, Stacey McMollum, Stephanie McCollum, Dawn Morgan, Monica Roby and Sheila Jordan. Senior soloists are Eric Fuller, Thomas Pray, Robyn Brooker, Valerie Williams and Donna Roberts.

Brainbusters

Freshman Find Future For Magnet Frustrating

Sophomores Succeeding Successfully In Magnet Seminar

Juniors Prepare For American History College Boards

Doc Does It To Magnet Seniors

Coop Means Business

COOPERATIVE OFFICE

The Cooperative Office Education Program at Germantown High School enables students to prepare for office occupations while still in high school. These students are given the opportunity to take a job in a business firm as part of their training.

Mrs. Phyllis Holden is the coordinator of the program. Students who wish to enter the program must have good grades, good attendance and punctuality records. Students may also be recommended by their teachers. These students must be willing and able workers and be able to qualify for the jobs to which they will be referred.

Junior Credit Managers

The Jr. Credit Managers' Association is composed of high school seniors. These students are selected, and attend a monthly meeting at business offices in Center City. This group is sponsored by the Consumer Credit Executive' Association in Delaware Valley and the School District of Philadelphia.

The trademark of the Jr. creditors is (1) to give selected students an understanding of consumer credit (2) to show importance of consumer credit (3) to present opportunities for a career in credit work.

Deca Does It

The Distributive Education program of D.E.C.A. helps students at Germantown to prepare for jobs in the fields of merchandising and marketing goods and services. This program directed by Dr. Morgan is based on cooperation between the school and the business community. Students in this program receive on the job training and credit for work experience outside the classroom.

Financial Aides

Leadership, Scholarship, Services and Character. These are the four basic elements on which a person is chosen for National Honor Society.

To qualify for the induction into the Society you must have an eighty-five average for seniors. For the juniors you must maintain a ninety-two average. You must show enthusiasm for scholarship, stimulate desire to render service, promote worthy leadership, and develop character.

National Honor Society; Leadership, Character, Service & Scholarship

National Honor Society Senior Candidates

Historical honor society prepares for D.C. trip

Germantown High School's Historical Honor Society, under the sponsorship of Mr. Glenn, R. Batdorf, is made up of juniors and seniors who have obtained the grade of A or B in all of their Social Studies courses since 9th grade. All Senior who meet the criteria are invited by letter to join this prestigious group. Juniors may join out of their own interest but do not receive an official invitation.

HHS Meetings are designed to inform the members of special events, essay contests, volunteering opportunities and other activities interest to students who have academic strength in the field of history.

This year the group conducted a sample election on the City Charter Change and the Gubernatorial Race. The results showed that Germantown students voted the same way as the general electorate.

The Historical Honor Society conducts the Senior Oratorical Contest each year. This gives students a chance to experience public speaking. An annual trip is the culmination of our activities. This year we went to Washington D.C. in May. The trip included visits to many of the points of interest in the nation's capital.

Since Germantown is the Social Studies Magnet School, it seems appropriate that we should have an active Historical Honor Society.

Chess Club Climbs Toward Checkmate

Mr. Randall, who is in charge of the chess club, said that chess is not really complicated. It is, though, a game of skill. The purposes of the club is to involve students in the fine art of chess, to experience competition between other scholars, and to make students aware of life's complexities and how to solve problems. The most outstanding students in the chess club are Gary Evans, James Harvey, and Maurice Wyatt.

Mr. Randal stated that as the chess club betters itself it is formed into a chess team.

Debate Club

Debate Club members come mainly from the English classes of Mr. John Shramm where debate is studied as part of speech development. In this group of students a varsity and junior varsity team is selected each year to compete in the Philadelphia Debate competitions held on Tuesdays at the Olney High School. The varsity team for 1978-79 is Marinetta Perrin and Robbin Bolden. The junior varsity is Lew Heather and Alisa Cherry.

Membership in the club is open to all Germantown students. Meetings are held on Wednesdays.

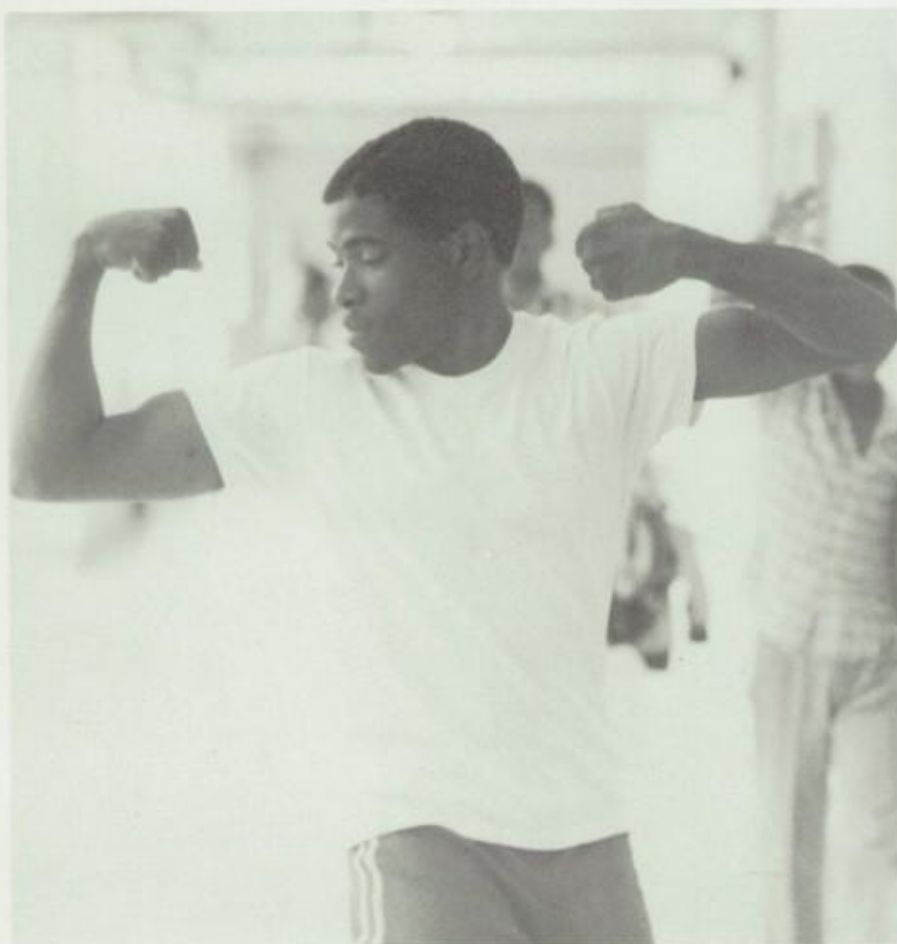

Members are: Lew Heather, Kim Bryant, Robbin Bolden, Detrical Boyd, James Edlow, Simme Jenkins, Alisa Cherry, Marinetta Perrin, Kevin Grey, Norreen Williams.

Stardom Is Drama Club's Goal

The drama club, like other activities, is doing its best. Like every year the drama club plans on putting on a play. Good luck, and may stardom, fame, and fortune come to the actors and actresses of Germantown High.

Mrs. Butler Keeps Her Girls On Their Toes

Mrs. Butler keeps her girls on their toes. Her group has progressed a great deal this year. They performed at the Miss Germantown Pageant and did a great job. It's not only the dancers who perform so well, but also the instructor who teaches them. The dance group of '79' is doing just fine. Keep up the good work.

Know The Yearbook Has Put It Together . . .

This year's yearbook staff, comprised of both seniors and underclassmen, is a group of dedicated individuals working together for a common cause. Their goal is to put together the type of yearbook that Germantown can be proud of. This can be done only through their efforts during advisory and once a week after school. While planning and preparing the yearbook, they must keep in mind the general theme which has been selected. "One Step Closer" is this year's theme.

The yearbook has taken the steps needed to achieve its goal of a dynamite yearbook. They hope that you take the steps needed to bring you closer to whatever you're striving for.

Bears Lose Only Once And Still

The football team of Germantown has been highly successful this season with a record of 7-1-0, one of very few to finish with such an extraordinary season. Only by a statistical quirk was the team eliminated from the playoffs.

The Bears have also had their share of outstanding players; Dana McCrewell, Greg (E.C.) Smith, John Sutton, and Kevin Fenning, who were all named to the All-Public and All-City Teams. Also named to these teams was Robert Freiling, who is continuing a family tradition started by his brother.

These are just a few of the assets that make up the fabulous team of Germantown High School.

Calisthentic Conditions Capable Athletes

Junior Varsity Practices For Big Time

Spirited Cheerleaders Never Give Up!

The Marching Units consists of five squads each unique in its own way. These squads are sponsored by Mrs. Joan Marshall.

The Cheerleaders are made up of 14 girls lead by captain Deirdre Hickman and co-captain Jackie McCarthy. These spirited cheerleaders never give up even when the chips are down. Their outgoing enthusiasm always lifts our team and spectators as well.

The team is chosen in the spring of the year by competition. These ladies practice throughout the spring and twice a week during the summer. Their choreographies are revealed at the first football game in the fall. You can catch their performances throughout the football and basketball seasons.

And Drill Teams Stomp, Twirl,

The Drill Team is the largest of the five Marching Units and also the most popular. This is due to their enthusiastic steps coordinated by the members of the team. The girls names and initials are used as their handle for the step they have made up.

This group is led by captain, Rhonda Coleman and co-captain, Kim Williams. Tryouts for the Drill Team is also held in the spring, so all you admirers of the Marching Units can come out and give it a try.

Although the Majorettes are small in number, the job of baton twirling is done well. The majorettes often perform at rallies and parades, but halftime is usually where these girls demonstrate their talent. These girls are under the leadership of captain, Patricia Dunham and co-captain, Patricia Glover.

Defend And Yell For The Bear

This team of girls, often the smallest of the four Marching Units, is known for their ability to twirl guns. They carry these guns to guard the flags-both the school and American flag.

The Color Guards participate at half-time, pep rallies and parades in the community. Because of their great leadership by Denise Edwards, captain, and Yvonne Dunlap, co-captain, the Color Guards have had a successful year.

Germantown pep squad cheers for you! The main purpose of having a pep squad is to pep up the crowd and to back up the cheerleaders. They attend all kinds of games, such as basketball and football. The members range from ninth to twelfth grade. Each year there are different officers elected, this year they are Charlene Benson, Denise Frames, Darlene Kitchens, and Michelle Weston. The group is sponsored by Mrs. Joan Marshall.

Varsity Volleyball Vastly Improved!

This year's winning record is a complete turn around from previous years. The Girls Varsity Volleyball Team ended their season with the greatest record ever, 9-4. The team began the year by upsetting Girls High. This is the first time in the history of volleyball at G-Town that our women have defeated Girls High.

Under the able coaching of Ms. Seibert, the team was able to adjust to many rule changes, improved their skills and developed team play. Which lead them to victories they will never forget.

Varsity Soccer In Building Year

The Varsity Soccer Team had a winning 1978 season. They were in the "B" Division behind Central and Roxborough.

Outstanding players this year were: William Lambert, Robert Freiling (who also kicks for the football team), and Hugh Cooper. The leading goal scorer for the year was Tyrone Gay.

The J.V. team finished in first this year. Norman Gay, Joe Ball, James Hallm and Dennis Thompson showed great potential on the field. These players will help improve the varsity soccer program in the future.

J.V. Has Winning Season

Germantown Increasing In Rank!

During the three years that cross country has been allowed for girls, Germantown has steadily been increasing in rank. In the first year (76-77) G-town ranked 9th out of fifteen schools. In 1977-78 the team moved to 4th place out of fifteen. This year (78-79) Germantown hopes to be first out of fifteen. With the help of Angela Williford, the top runner, a junior who keeps breaking school records, we are an excellent team. The returning seniors, Tracy Stokes and Pamela Blackwell can be expected to place in the top quarter of competition. Two other outstanding runners are Sharon Tilghman, a senior, and Linda Lockett, a freshman.

Runners Finish Second In Division

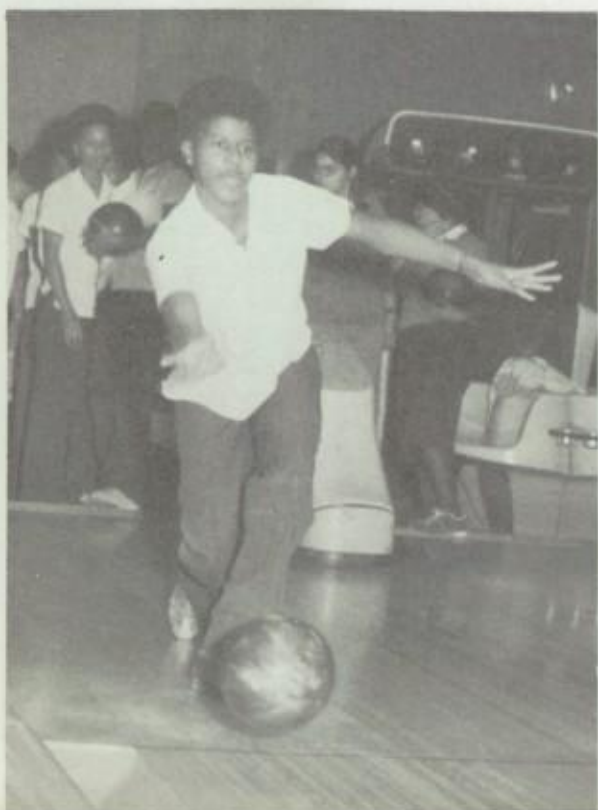

Cross Country scoring is very different from any other sport. The lowest score wins. The earlier the runner comes in, the lower his number. The first five men on the team count their scores and the lowest team wins. Under the able guidance of Mr. R. Brown, Germantown's Boys Cross Country team has been striving to be the best. They finished eleventh in the city and second, behind Central, in their district. The top runner was Ed Haynes, who had a record time of 17 minutes. The other top runners for G-town were: Ernest Thomas, Steve Bowman, Melvin Jackson, and Napoleon Heath. They made up a dynamite team as they ran the course at Belmont Plateau.

Rowan And Brown Outstanding Bowlers!

The bowling team of Germantown has had a very good season finishing 6-3-1. The teams outstanding bowlers were Kelly Rowan, and Terri Brown, both scoring over 200. The varsity team only has one senior and promises to be successful with an undefeated J. V. filling positions next year. The Bowling team coach is Mrs. Johnson.

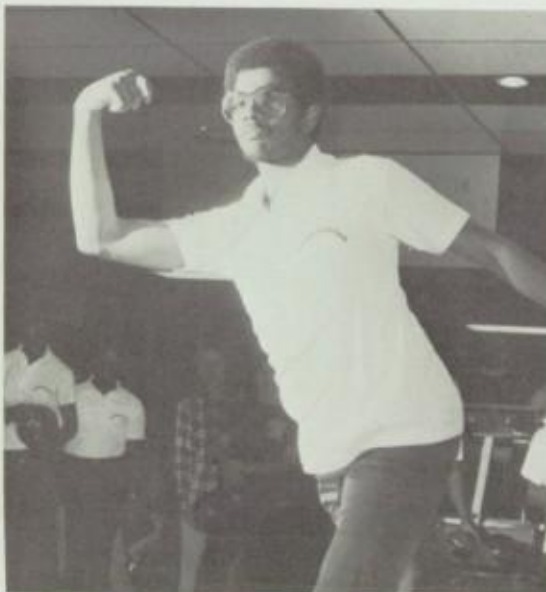

Invincible All-Public Squad?

This year's Male Bowling team promises to be an extremely good one, with Public and City titles both within reach. The team expects to be very strong because of such players as:

Mike Burgoa, Glenn Berry, Robert Clements, and Steve Johnson, who are all members of the previous All-Public teams.

This year's team expects two additions coming from Central, Tom Fontaine and Steve Waie, both whom have made All-Public previously. Thus, this year's team has a strong possibility of becoming the invincible All-Public Squad!!

Both Male And Female Basketball

The boys basketball team, losing most of their great players to graduation last year, had a very hard time trying to achieve the goal of being number one. With most of the players being new, the team had to learn to be one. The outstanding players are Reggie Chennault and Randy Goode. Some others are Robert Ross, Quinton Bosman, John Mincer and Dana McCrewell. The bears had a very bad start this season, losing all their preseason games and more. Hopefully next year they will get off to a better start with the return of Maurice Jenkins, Wendell Thomas and Rud Brown.

Teams Take M.L. King Players

To The Hoop In Night Games

At King!!

Girls Varsity, Demanding;

Germantown Girls Varsity has had a very successful season. The ladies have had a record of 7-6; under the supervision of Ms. Scott (coach); and under the leadership of Jacqueline Tunstall (capt.).

This team has made it through the most challenging times which lead them to a playoffs position. This decision was granted to them through the wildcard rule.

Their first game in the playoffs was against University City. The girls played their hardest, but unfortunately they were defeated. The success of G-Town's Girls Varsity Basketball Team, we hope will continue.

Aggressive And Talented

Girls Place Second In Division!!

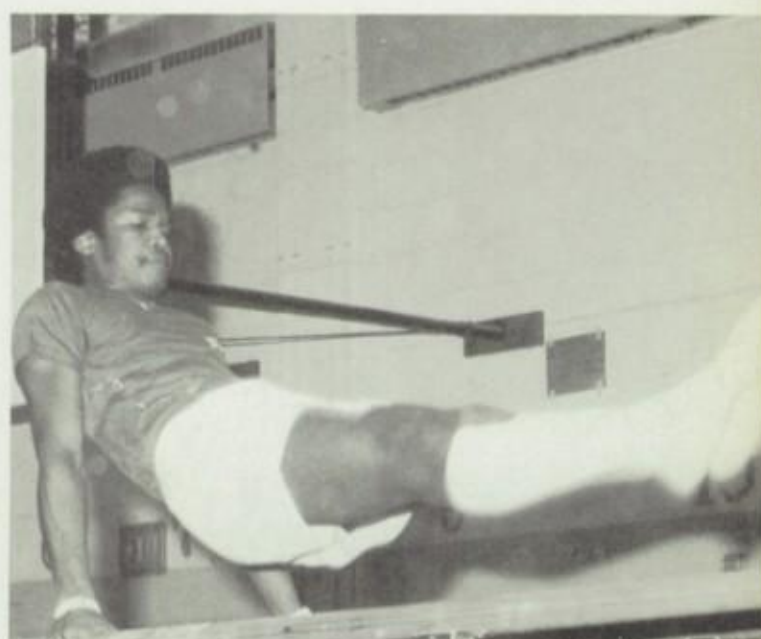

Under the instruction of Mrs. S. Singletary, our Girl's Gymnastics Team has competed in six meets this year with a very good average. Aided by the determination of captains Tracy Bowen and Eunice Tayale, students in this non-spectator sport perform various exercises on the uneven parallel bars, vault, balance beam, and floor exercise. At the end of the season outstanding gymnasts are given the opportunity to compete individually in a city wide meet.

Gymnastic Team Has Progressed And Matured!

The Gymnastics team though not as talented as last year's has progressed and matured greatly. There are several veterans on the team, they include James Turner, George Knight, Mike Dawson capt., all of whom represent the senior class. The other team members are Harold Greyton, Jesse Scott and Vernon Chase. Gregory Underwood, a transfer student, is expected to be a valuable asset. Mr. Hicks is looking toward another winning season.

Indoor Track A Prep For Outdoor Season

Indoor track in the Public High Schools is a growing phenomenon and is becoming more exciting and noticeable. Germantown's team is one team that will be recognized for the talent that they have. Girls' indoor track is not at all like the boy's. The teams have no official meets. In order to be involved in a meet they have to go far out of the city to colleges on Saturdays. They do compete in an annual meet at the Civic Center in January, where they compete against many different schools. The Girls' Indoor track is now starting a public league schedule so that they may be better recognized than they are now. Some of teams outstanding members are Terry Russell, Lynette Richardson on high jump, and Andrea and Dorothy Wilson.

This year the Boys' Indoor Track team has done an outstanding job. This season they have won gold medals in the 880 and the mile relay. They also have won silver medals in additional mile relays. Some meets were held at Lehigh University, Civic Center, Widner College and West Chester State College. Some outstanding runners of the season are Hugh Cooper, Keith and Kenny Marshall, Billy Lambeth, Albert White, Darryl Harvey and Eddie Ferguson. They hope to have a strong distance running team which consist of Eddie (Stretch) Haines, Steve Bowman, Ernest Thomas, and Carl Jackson for the outdoor season. With a lot of confidence and encouragement these guys could be simply great!

Swimming Team Takes A Dive

Even though our Swim Team did not have a very good year in '79, they expect to start next year on a good strong foundation of swimmers trained this year. Part of this foundation is a 9th grader, Alfred Bennette, who came in 4th in the individual medley and 5th in the butterfly in city-wide competition. With a well-trained team to start the 1980 season and Mr. Johnston as coach, next year looks promising.

Badminton Requires Skill And Control

The team plays 5 official games- 1st, 2nd and 3rd singles and 1st and 2nd doubles. Many people think badminton is a sissy sport but it requires much skill to control where the shuttlecock lands. Unlike tennis, badminton is mostly wrist action. The team competes with other schools such as Northeast, Bartram, Girls High Olney, University City and many others. This year our season starts off with us hosting Washington High on Wednesday April 18.

Outstanding Player- Nancy Milburn, she will be playing 1st singles this year.

Photo
Not
Available

Our 1979 golf team will consist of the entire 1978 squad. The 1978 team finished the season with a 5-win, 5-loss record. The most exciting match of the season was a 2½-3½ loss to the undefeated city Golf Champs, Roxborough.

The improving nucleus of our team consists of senior Bob Hill, juniors: Kevin Bradix, Mike Nickens, Leroy Whatley, and Ken Johnson, and sophomore Kevin Greenlee. We also expect Carl Battle, George Johnson, and James Leonard to pitch in toward a successful 1979 Golf Team for Germantown High School.

Coach Goldstein

Golf Team Has Improving Nucleus Of Players

G-town Seeks Playoffs, Again!

Last year Germantown's baseball team qualified for the playoffs for the first time in thirteen years. Despite losing to Northeast High in the semi-finals it was a very rewarding year. We enter the '79 season with great anticipation and optimism. Returning is a nucleus of outstanding athletes who played extremely well last year. Heading the list is Ricky Ford. Ricky pitched a no-hitter against Central in '78, after two months of inactivity because of a medical problem. He is now healthy and eager to play.

Other returnees are Frank Knight, Eugene Fisher, Dwayne Giles, Philip Hunt, Terry Patillo, and Robert Ross. A strong J.V. team is sending up Timmy Watson and a couple of talented pitchers. Hard work and dedication to improve ourselves in practice will enable us to continue a successful baseball program. The end result will be another playoff appearance and hopefully a championship.

The Girl's Softball Team has come a long way in the Public League. Through the coaching of Ms. Duckett the girls have shown that they are not to be taken for granted. They are very dedicated to this sport and are striving for a respectable place in it. The most outstanding seniors are Kim White, Debbie Russell, and Debbie King. Other players are Monica Jackson and Donita Cohen.

Girls' Not To Be Taken For Granted!

Track Teams Pace Themselves

The Girls' Track Team paced themselves into a second place position last year in the Public League Championship. They lost to William Penn by a disappointing few points, while beating King easily.

This year the girls are determined to be number one. Helping to achieve that goal are: Terri Russell, on the hurdles; Shadonna Becton, in Shotput; Tracy Stokes, in high jump and long jump; Angela Bush and Sharon Tilghman in distance. Some other great runners helping to speed up the championship race are, Dorothy and Andrea Wilson, Renee Dixon, and Angelia Williford. The coaching of Mr. R. Brown and Mrs. S. Singletary are also a tremendous factor.

Into Championship Races!

The Boys' Track Team is a group of dedicated young men trying to build a respectable position in the sport of running. Some of the young men are Darryl Harvey, Billy Lambeth, Napoleon Heath, and Hugh Cooper. The sport takes great concentration and a lot of stamina. These men should be praised for their determination and skills. With the help of their coach Mr. Koster they will remain outstanding.

Tennis Teams Are Very Well

The Girls' Varsity Tennis team is looking forward to this season. Returning to this team are Lisa Scott, Wendy Harris, Debbie Pryor, Martha Myers, Jimmette Henderson, and Yvonne Maitland. Coached by Miss Judy Seibert, they expect to be successful in their matches. Tough competition is expected from Girls High, but Germantown will not give up until the last volley.

The Male tennis team of Germantown is very well equipped. With last year's experience the team will have a successful season in '79. Returning to the team are Vernon Morris, Reggie Maddox, Shawn Jackson, David Hightower and this year's captain Gerald Huggins. All of these young members promise to be outstanding. These players and their fans are hoping for success under the direction of their coach, W. Strain.

Equipped For The '79 Season!!

Widener

Mr. Henry Blaszczyk

To you about to enter the adult world, much success and happiness.

May all of your futures be as enriching as my experience as your principal. The world is out there waiting for you. Good luck in obtaining your goals.

Congratulations Class of '79
Mr. Henry Blaszczyk

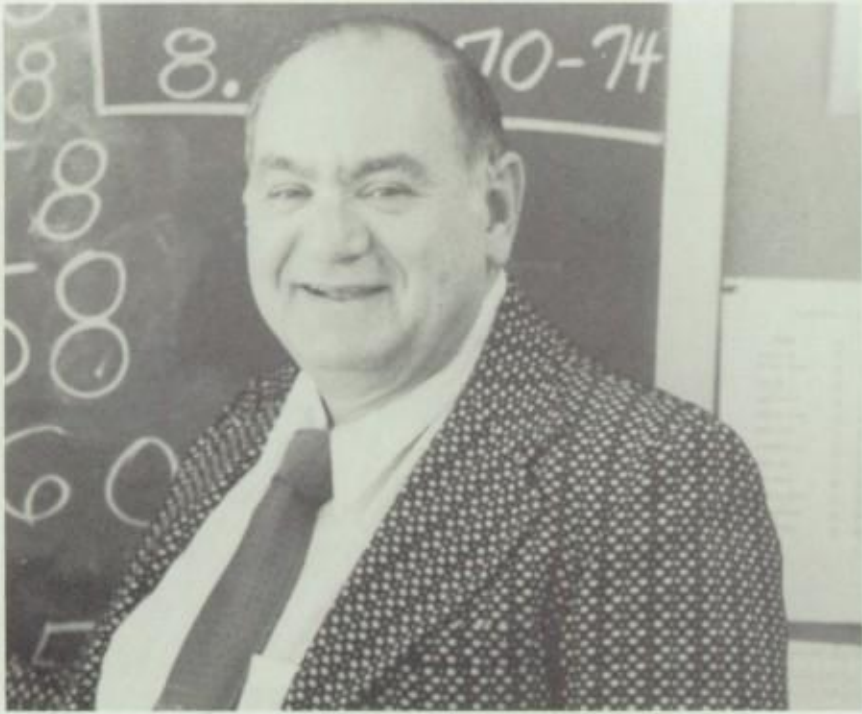

Dr. Robert Smith - Counselor

How swiftly the scenes change in the drama of life. Four years ago you entered high school and today you are graduates. The high school scene is over, the curtain has been drawn. Tomorrow you enter a new scene. It may be college, technical school, business school, military service, marriage, employment or on the job training. Play your part well. Give it your best efforts. Prepare yourself for the next scene and the next, and the next, and the next. You see, "all the world is a stage," and each person must play his or her part on the stage of action.

If

Rudyard Kipling

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too
If you can wait and not be tired by waiting
Or being lied about, don't deal in lies;
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise;

If you dream-and not make dreams your master;
If you can think-and not make thought your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breath a word about your loss:
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with kings-nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much:
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the earth and everything that's in it,
And-which is more-you'll be a man, my son!

"There are only two powers in the world, the sword
and the pen, and in the end the former is always
conquered by the latter."

Napoleon

Memories

Memories

Memories like the corners of my mind,
 Misty water colored memories; of the way we were,
 Scattered pictures of the smiles we left behind,
 Smiles we gave to one another; for the way we were,
 Can it be that it was all so simple then,
 Or has time rewritten every line, and
 If we had the chance to do it all again,

Tell me, would we, could we,
 Memories may be beautiful and yet
 Much too painful to remember,
 We simply choose to forget, so it's the
 Laughter we will remember, whenever
 We remember, The Way We Were.

Mr. Horne, Class Sponsor Serves Class Of '79 Well.

To the Senior Class of 1979:

The class of 1979, the first class to complete Germantown from ninth grade, has been a pleasure to work with. There are many dynamic and talented students in your class who have shown their abilities in various ways. Others, who may not have been involved in many school activities, show great potential. It is my hope that you will use your potential in the future.

I hope that Germantown has prepared all of you as much as possible for your future endeavors. You are One Step Closer to graduating, but because you are seniors don't feel that you've earned the right to quit. After graduation there will be more problems to tackle and more goals to strive for. Always keep your particular goals in mind and strive each day to achieve them. I wish you all the best of luck.

Theodore Horne

To the Senior Class of "79" who are about to step out into the world. I hope everyone achieves their goals in life. Being president of the Senior Class has been a rewarding experience for me, and it's given me a great opportunity to help my fellow students. I wish you all the best of luck in the future.

Class President, Denise Edwards

Dear Graduating class of 1979,

I have worked hard this past year to make this the best year possible for you. It's been an awarding experience which I will never forget.

Vice President, Tonya Jarrett

Hi Seniors,

The dream we had is now true. I want to tell you about my first day at Germantown. I was so lonely I didn't know what to do. But as I walked down the halls and saw so many faces that became familiar, my loneliness began to fade away.

My year serving you as secretary has been pleasant. As I go through life I'll never forget my four years here at Germantown. As Rev. Martin Luther King once said, "I've been to the mountain top and looked over." Now we, the senior class of 1979, can say, "We have made it to the first peak of that mountain." Good Luck!

Charlene Mines, Class Secretary

To Germantown's Seniors of '79,

It has been both a pleasure and honor to work with you this year as your class treasurer. Through my four years at Germantown, I have discovered the people to be fun, interesting and very talented.

I hope that each of you find your own path in life and live it to the best of your ability. And always remember that the graduating class of 1979 was the best that could ever be found.

Good Luck

Cheryl M. Smith

Class Treasurer

Senior Reps

Senior Dues Collectors And Advisors

One Step Closer

Our lifelong journey has just begun,
We have so much further to go.
We've seen some good times and had lots of fun,
But what lies ahead we can't know.

We only know we should strive to move on,
Allowing nothing and no one to stand in our way.
We must realize our high school days are gone,
And begin to make plans for the future today.

With these fundamental thoughts in mind,
We'll go out into a world that's sometimes so cold.
We'll graduate from Germantown as the class of '79,
And be One Step Closer to attaining our goals.

Pamela Green Bk. 178

Farewell

All is quiet ... I stand alone ...
and gaze at your wisdom-filled walls ...

Listening to laughter ... out of the past,
Still echoing down the halls ...

I remember those whose pathes I've crossed,
And riches received from them

The knowledge and courage of their words
Mere time can never dim.

I realize, perhaps at last, the conviction
Those years possess ...

And leave the walls of Germantown
The world these years to test.

Mary A.T. Johnson

The Problem With Progressing

Leaving the people that I know, trust,
and in most cases love. Leaving those
people that I can talk to when
nobody else has time to listen. How do I
leave all these people, of whom I am very
fond without looking back? How do I say
good-bye without letting go ...

Rodney

Good Luck & Keep on
working with Corlis.

Maybe you' All will end up like
Nate & I. Also Good Luck
in All you Accomplish in life.

Cynthia Webb

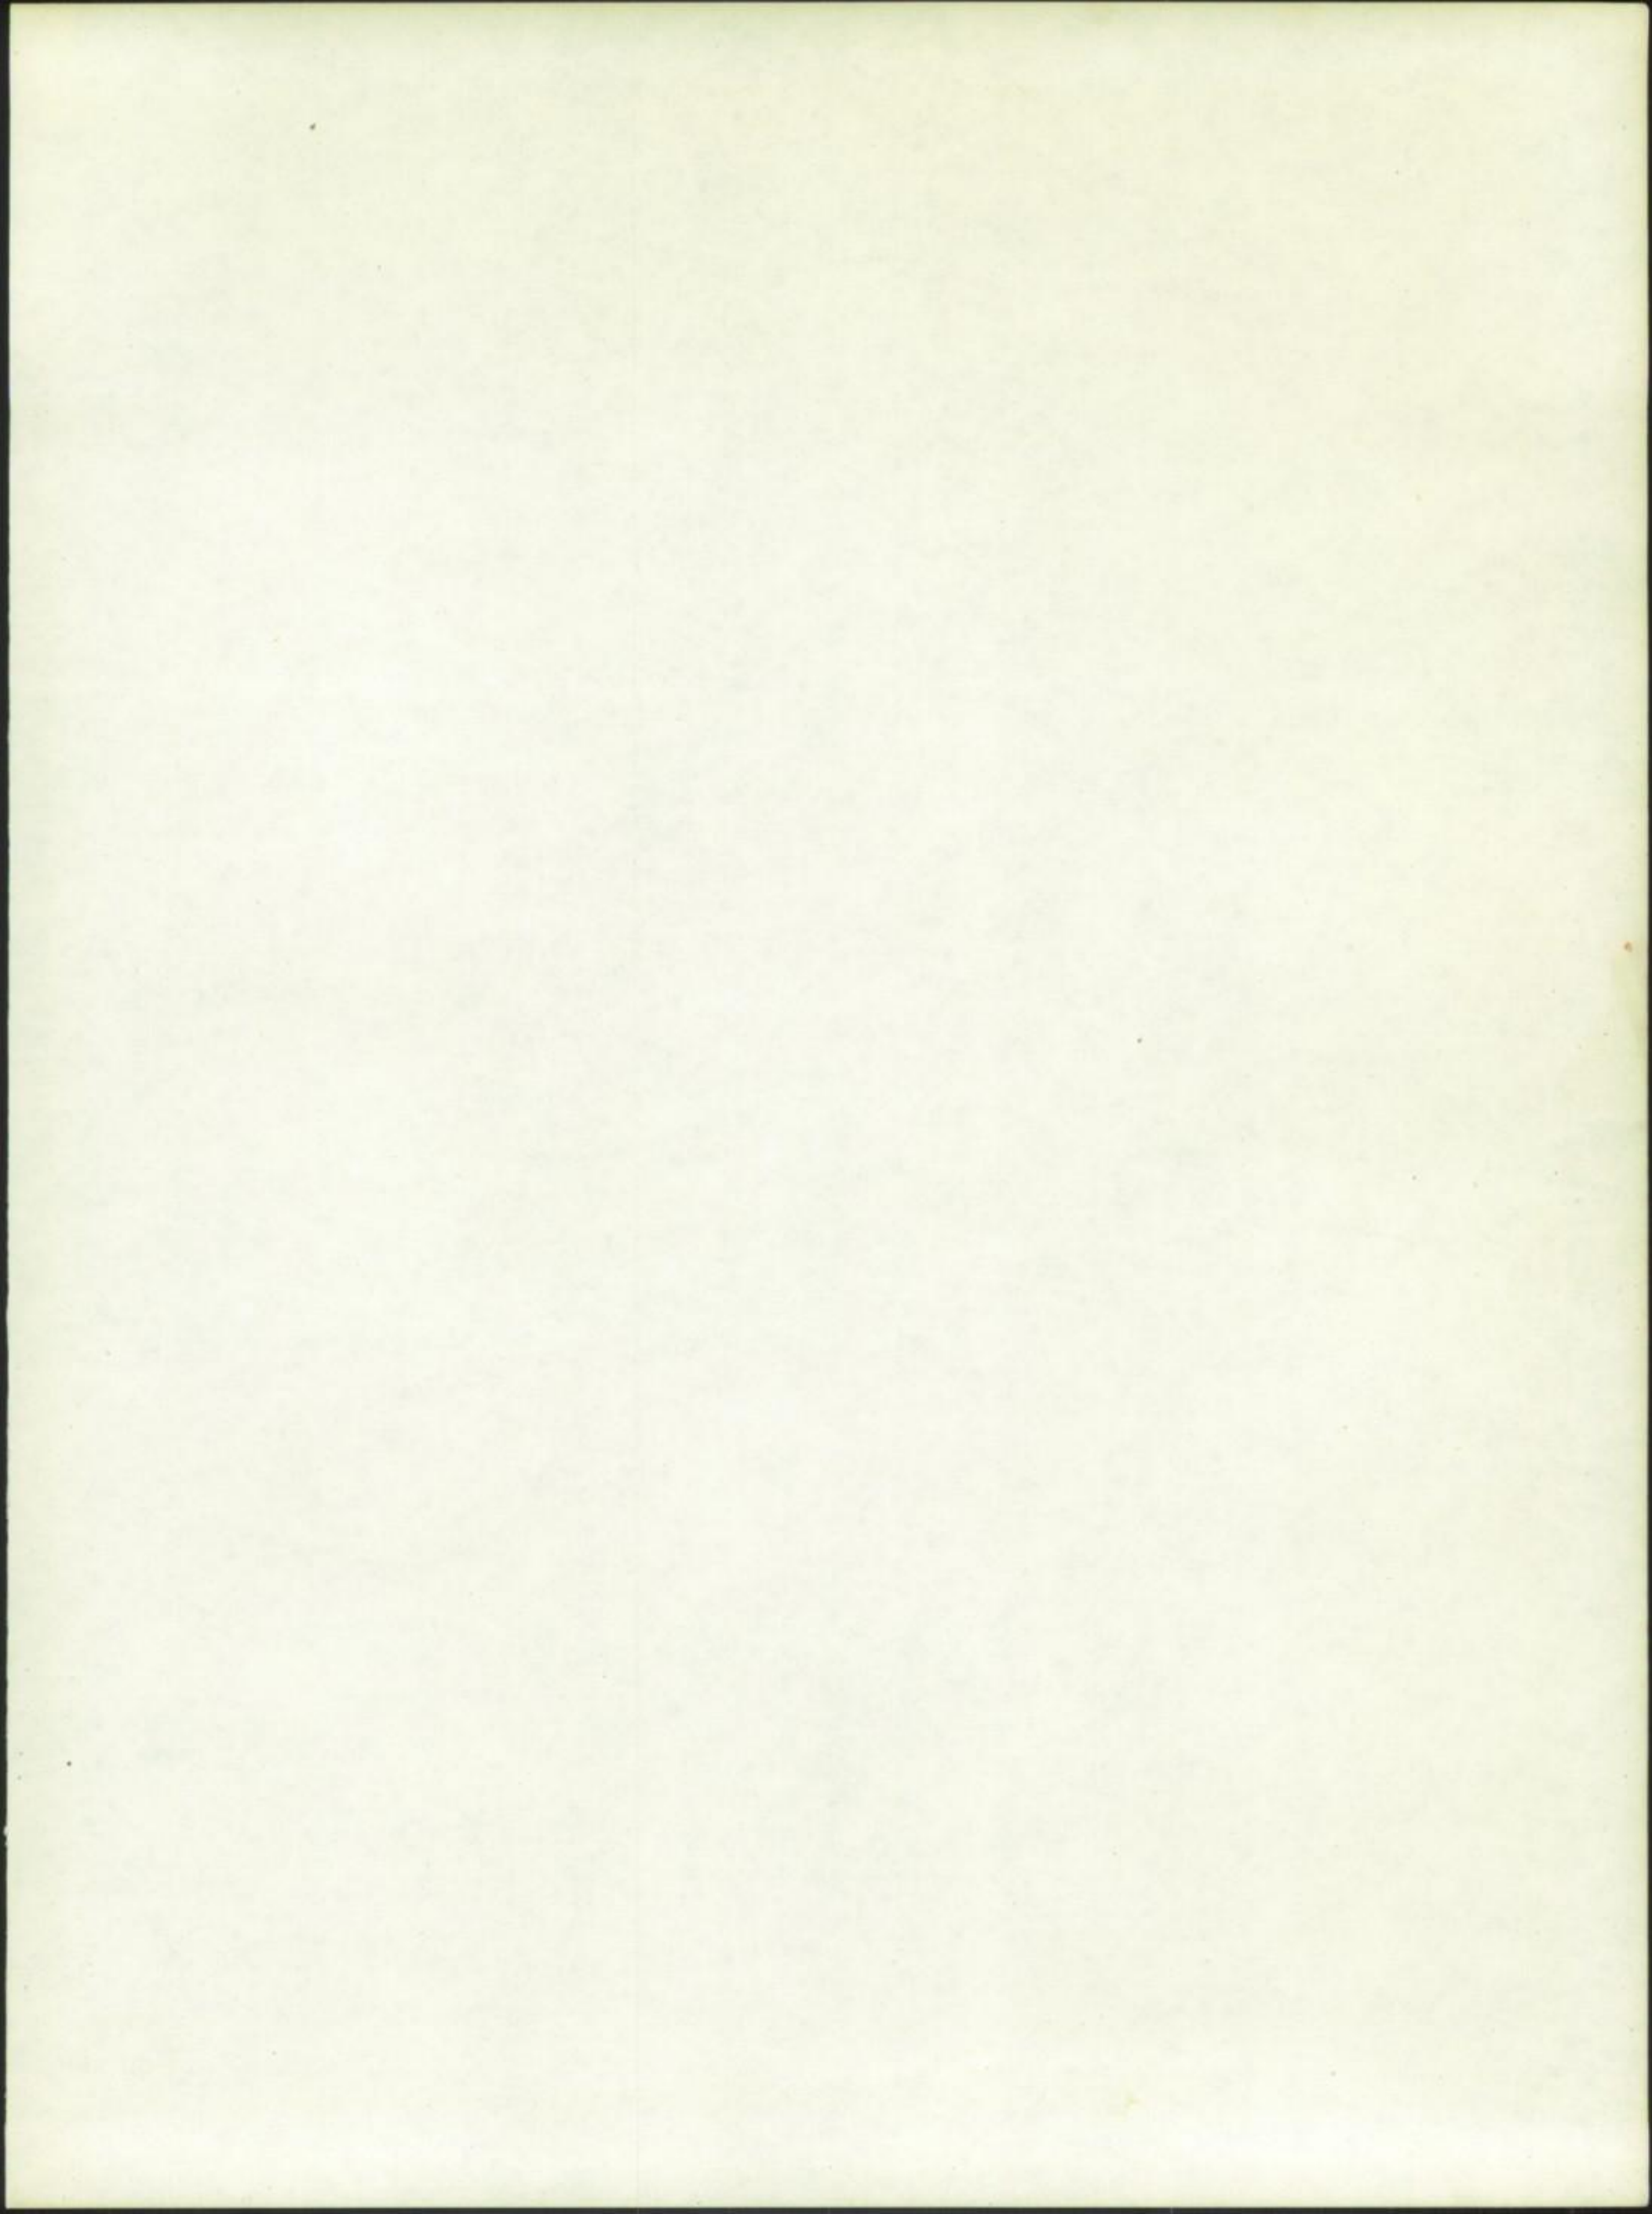

Le Rod

To a person who's
real neat and a
person who's real
sweet from a person
who thinks you
too much. Good luck
in what ever you
do. Peace and Happiness
to you and may the
 Lord be with
you.

Corlis.

Some people write up some people write down just to be different I'm writing around.

To:
a nice
person + suggest
stay away
Cool stuff
I love Maria
Rich and soon
(+)

Good luck
to a cool Brother
Cool warmer Baxter 19"

in life

To a very great friend
Best of luck in the
future
Thyron Jurbent

Hope you succeed
